

CMS INTERNSHIP LEARNING CONTRACT

Please use this PDF to submit your Internship Learning Contract. Once your request has been reviewed and approved, you'll be enrolled for Internship credit. For information, questions, and approval, contact Steve Groening by emailing groening@uw.edu.

IMPORTANT INFORMATION ABOUT INTERNSHIPS

- Internship credit will receive a numerical grade. Beyond fulfilling the expectations and contracted hours for your internship, your grade will also be contingent upon your submission of a brief reflective paper on your experiences, your evaluation of the internship experience, and a performance evaluation submitted by your supervisor.
- Internship credit (CMS 491) can be applied to the CMS major under the electives section up to a threshold of 10 credits of the total credits you earn for the major.
- The number of internship credits you can enroll in depends upon the average number of hours per week that you'll commit to the internship. For each three hours per week that you devote to the internship over the ten-week quarter (or 30 hours total), you can earn one credit.
- You do **not** have to enroll in the maximum number of CMS 491 credits that you're eligible to take. Do bear in mind that if your total credits for the quarter exceed 18, the UW will impose a per-credit surcharge for additional tuition. It is sometimes possible to defer CMS 491 credit to a future quarter (with prior permission), or to spread your eligible credits across more than one quarter to help you to avoid going over 18 credits and being subject to additional tuition.
- CMS pre-majors and those not majoring in CMS need to email Steve Groening to gain application approval.
